

Limited Product Warranty for Wall Washers

G2G Lighting products will be free of defects for a period of five (5) years starting the day of proper installation and confirmed receipt of the Warranty Registration Form. This warranty directly benefits the original customer who has purchased G2G Lighting products from an official distributor of G2G Lighting and or directly from G2G Lighting for the expressed use of signage lighting only.

This warranty is affective for all G2G Lighting wall washers. Should any G2G Lighting wall washers fail with in the five (5) year warranty period due to defects in components or workmanship, G2G Lighting will replace the defective product once said product has been returned to G2G Lighting per the Terms and Conditions below.

TERMS AND CONDITIONS

This limited warranty is based on reasonable usage in signage for image identification. All LED systems have varying degrees of light degradation over the life span of the product. The Limited Warranty is valid for all G2G Lighting wall washers along as they are, properly installed, and used for their intended purpose. Proper installation means following all of the wiring instructions, building codes, the latest UL Standards of Safety, NFC, CSA or any other domestic or international safety agencies.

Reasons for a Void Warranty:

1. Any use of the product outside of its intended purpose will void this warranty.
2. any tampering will void this warranty.
3. defects caused by improper installation will void this warranty.
4. acts of God will void this warranty.

Product Replacement

G2G Lighting is determined to provided the best quality LED lighting products and workmanship in the industry. However, should G2G Lighting products be determined to be defective caused by defects in material or workmanship the product will be replaced. The original purchasing party must submit a product warranty claim form to Customerservice@g2glighting.com.

G2G Lighting reserves the right to test the product to determine the cause of the problem. Once the product has been determined to be defective due to material and or workmanship and the product has been returned.

G2G Lighting will replace said product. The replacement product will ship via ground transportation at the expense of G2G Lighting.

Any other form of delivery will be at the expense of the purchasing party, less the ground shipping cost.
